CONSUMERTRONICS CO. PRESENTS:

REBEL

2011 Crescent Dr.
P.O. Box 475
Alamogordo, NM 88310

YOU CAN'T SURVIVE WITHOUT BEING A REBEL!!

The ultimate Looking-Out-For-No. 1 monthly newsletter is finally here! Publications that champion the rights of Freedom of Press and Speech are as numerous as flies on a horse's ass! But only a few of these will publish a really controversial news item, editorial or ad. Most are controlled by a clique of fat, dumb and happy publishers and editors in cahoots with the OPEC-owned multinational oil firms, big-business, banks, utilities and the phone company. The Constitution guarantees your rights to Freedom of Press and Speech - BUT DON'T YOU DARE TRY TO USE THEM WITHOUT THE PERMISSION OF RICH AND POWERFUL BIG-SHOTS!!

Finally, a forum is here so that YOU can read and contribute to news items, editorials and ads that no newspaper would dare touch! The traditional press won't air the truth on many issues of life and death importance to YOU and your loved ones. No matter how controversial, absurd, offensive, scandalous or bizarre your views may or may not be to others REBEL will publish them verbatim because EVERYONE HAS THE RIGHT TO PRESENT HIS/HER VIEWPOINTS!!

The contents of REBEL may shock, outrage or delight you - but you won't get bored or be manipulated by pabulum or coverup. Our files are thick with our research and contributions by Consumertronics customers over the years. But we are always actively seeking very frank news items, editorials and ads - items on hard-to-find information, products and services that will inform and provide survival advantages to our subscribers. The inside dope on oil company, utility company, the phone company, big-business and Government scandals and rip-offs are most welcomed, as well as little known information on what people are doing to survive during this very crucial time - WE ARE ON THE BRINK OF A MAJOR DEPRESSION AND ARMED REBELLION!

Subscription to REBEL is \$9/year (USA, PR, VI, Guam, Canada & Mexico; \$15 elsewhere) for 12 issues sent 1st. Class in Consumertronics Co. envelopes. ONE YEAR OF REBEL IS ABSOLUTELY FREE FOR ALL CONSUMERTRONICS PURCHASES OF \$60 OR MORE. Subscribe within the next 30 days and get your FREE copy of RIP-OFF! (See below). Complete the COUPON below (clearly print or type or use address label or stamp). Enclose COUPON with full payment in the enclosed Consumertronics return envelope (along with your other purchases). If payment is made in check or MD, make payable to CONSUMERTRONICS (NOT to REBEL!). No foreign currency. Allow six weeks for the arrival of your first issue and your FREE copy of RIP-OFF!
